Description: Class reunions: a time for memories—good, bad, and, as Virgil Flowers is about to find out, deadly—in this New York Times bestselling thriller from John Sandford. Virgil knows the town of Tripton, Minnesota, a little too well. A few years back, he investigated the corrupt—and as it turned out, homicidal—local school board, and now the town's back in...

Review: Another great entry in the Virgil Flowers series. I love the quiriness of the small town Minnesota settings and the weird and crazy characters. There's a bit of formula to these stories, but that's part of the reason I read series mystery fiction. Flowers is a likable character and the cast of family and friends are funny and believable. The small...
